ABOUT FF YOGA SANS REGULAR ITALIC

The Yoga family is a type system conceived to work for newspapers and magazines thanks to its strong personality and good legibility. The Serif weights with their sturdy serifs are a good choice for body text, but they also serve as an original headline face with their subtly chiseled counters inspired by blackletters. FF Yoga mixes the harshness of blackletters with the balanced rhythm and round shapes of the Garalde typefaces. Yoga Sans is a contemporary alternative to Gill Sans and a sober companion to Yoga Serif.

ABOUT XAVIER DUPRÉ

Xavier Dupre was born in France in 1977. He studied graphic design in Paris as well as calligraphy and typography at the Scriptorium de Toulouse with Bernard Arin and Rodolphe Giuglaro.

Since 1999 he has worked as a type designer in a packaging design agency. He has also collaborated with Lasdislas Mandel (known for telephone directory typography) on Renaissance experimental writings. From 2001, after publishing his first FontFonts, he has lived and travelled in Asia where he designed Latin & Khmer typefaces for NGOs in Cambodia.

Xavier prefers work in full freedom, without any constraint, spend time observing the nature and likes cooking especially vege food and pastries.

Awarded consecutive Certificates of Typographic Excellence in 2004 (FF Angkoon), 2005 (FF Absara) & 2006 by New York's Type Directors Club.
